Our Team

The International Trade Department can help you expand your business to Portugal! Our wide range of contacts and tailor made solutions are designed to save time and reduce cost.

We are able to provide your company a customized agenda (online or in person) for meeting Portuguese importers, distributors, buyers, clients, producers or any other related profile of contact.

Next Steps

1. Send a presentation of your company and/or a catalog of your products/services;
2. Answer some questions related to your business;
3. Schedule an online meeting with us;
4. Wait a few days for our business proposal;
5. Approve our proposal and have your business meetings (online or in person);
6. Start selling your products/services in Portugal!
